SECURITY DEPOSIT:

There are not many rules and expectations at the Budapest-Bamako. However, there are a few things that if you don't pay attention to, you can ruin your own and others' work and fun.

To prevent this, **we are introducing a "Security Deposit"**. This is a deposit of **250 EUR** that you will get back after the event if you follow a few basic rules. These are:

1. **Read the roadbook before the event.** You will have to complete a ***Roadbook quiz*** before the start of the event. We will test whether you have read and understood the roadbook and know where you can find important information. It is about knowing how the book works, which is the basis of our event.
2. **you print out the "Fiche"** that is essential for the event and upload a photo of it (the roadbook will tell you what the Fiche is)
3. During the event, **do not use on social media platforms or on your vehicle decoration any names, flags, icons or references to Western Sahara, Polisario, Western Sahara, West Sahara**, etc., nor mark this area with a line on a map of Morocco. These are all violations of Moroccan sovereignty and will be punished.
4. **it is obligatory to enter your vehicle details and license plate** on the Team Info page, even if you have a temporary license plate, which you will receive only one week before the event. If you need to change your vehicle, you must also register it with us, along with all the details of the new vehicle.
5. **You must be present at the Mauritanian first camp to receive your visa at the time indicated.** If this is not possible, you have to report this to us.

DEPOSIT REFUND

If you follow these rules, you will automatically be entitled to a refund of your deposit. You will be able to claim your deposit back within a maximum of 3 months after the finish date of the event, in writing, by providing your bank details.

If any of the above points are not met, you will lose your deposit. In this case it is non-refundable.

Deposit amount: EUR 250 per team

CLASSIC GPS category teams have to rent GPS logger from the organizer. The entry fee does not include the fee and the deposit of the device. The rental fee of the logger is 100 EUR and the deposit for the device is 200 EUR.
